

Greetings from the Turners,

First of all we would like to give you all of our heartfelt thanks for making our deputation a speedy one! We are so happy to be back in the land of our calling. Tammy and I are very thankful for each and everyone of you for your prayers and continued support for us here in Israel and the Palestinian territories. We are believing God for great and mighty things here in these last days. We have settled into our new apt. in the city center of Jerusalem. A special thank you is due to Mothers Memorial for our new stove, washer & dryer. We also want to give a shout out to all who gave to SFC (Sheaves For Christ); we are in negotiations with a local car lot to purchase our vehicle. You are vital to the work of the Lord here in Israel and the Palestinian Territories . Please keep us covered in prayer as we push forward into the field we have been called into. We have several excellent leads that we are following up on which will take us into Bethlehem and the Palestinian territories. It is vital for our well being and success that you join with us in prayer and fasting we feel we are racing against the clock and have been given an effectual open door.

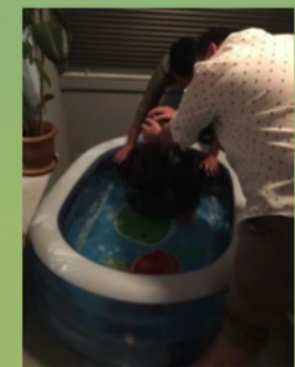

Please note : This is a work in progress; Sister Turner and I are trying to join you all in the 21st century. We have been in a situation these past 13 years where very little Social Media , Newsletters or Communication was advisable due to our location at the time. However; we are thrilled to be in a country where we can readily share the wonderful exploits of our Savior in the Holy Land!! Below are links to our up and coming Facebook , Twitter, Instagram acct. and web page please bear with us as we try and improve them on a daily basis.

Republic of Turkey

- Turkey is now an official District of the UPCI—using the name UPCTEA
- Have 12 licensed ministers and have launched Ministers in Training (MIT) program with 21 applicants

Vision for Turkey

- For our next term we fully anticipate doubling our constituent base, as well as licensing and recruiting for the Harvest at hand!
- Year to date—we are in desperate need of AIM-ers/workers to answer the call for the following cities: Eskisehir—congregation of 30-35 with no pastor, Denizli—congregation of 45 with no pastor, Kutahya—congregation of 50 with no pastor, Afyon (home group)—congregation of 10-15 with no leader, Antayla—congregation of 15-20 with no pastor, as well as the newly opened cities of: Kayseri, Nevsehir, and Trabzon; all cities with newly baptized groups—with no full time leaders!

**please note all above cities are being jointly led by missionaries RD Robinson and SE Turner, as well as AIM-ers Ahmet Sarioglu and Kris and Robin Tapia families—this is a team effort!!*

Our wholehearted thanks to..
